"I've been a parent now for more than eight years, and—confession—I've never actually made it all the way through a parenting book. But I found *Bringing Up Bébé* to be irresistible." —*Slate*

The runaway *New York Times* bestseller that shows American parents the secrets behind France's amazingly well-behaved children, from the author of *There Are No Grown-ups.*

When American journalist Pamela Druckerman had a baby in Paris, she didn't aspire to become a "French parent." But she noticed that French children slept through the night by two or three months old. They ate braised leeks. They played by themselves while their parents sipped coffee. And yet French kids were still boisterous, curious, and creative. Why? How?

With a notebook stashed in her diaper bag, Druckerman set out to investigate—and wound up sparking a national debate on parenting. Researched over three years and written in her warm, funny voice, *Bringing Up Bébé* is deeply wise, charmingly told, and destined to become a classic resource for American parents.
