Download or Read Online Day One: Migrating from Cisco to Juniper Networks Free eBook (PDF/ePub/Mobi/Mp3/Txt) Martin Brown -, Prepare for the future by replacing your aging Cisco devices with state-of-the-art Juniper hardware and double your productivity with this two-book migration guide for the SRX and EX Series.

Book 1: Migrating From Cisco ASA to Juniper SRX Series
This Day One book walks you step-by-step through a best practice change process that will ease, and actually simplify, a migration from ASA to SRX. It documents a detailed migration plan that will help you familiarize yourself with the Junos OS and the SRX Series. This book also includes dozens of configuration detail comparisons that will make any cutover, in the lab or in production, successful.

"This book is an excellent foundation for migrating from Cisco

ASA to Juniper SRX for your organization's next-generation security platform." - Clay Haynes, JNCIE-SEC #69

Book 2: Migrating From Cisco Catalyst to Juniper EX Series

Migrate from Catalyst to Juniper's EX Series in a series of well-defined steps that will prepare you for the future with Juniper's switching platform. Book 2 documents a migration plan that will help you insert the first Junos OS switches into an operational Cisco network.

"Quintessential reading for the engineer migrating from Catalyst to the EX Series. Full of best practices and tips as you upgrade your switching." - Nick Ryce, Senior Network Architect, Fluency, JNCIE-ENT #232

IT'S DAY ONE AND YOU HAVE A JOB TO DO, SO LEARN HOW TO:

Book 1

- Replace aging ASA devices with the SRX Series firewalls
- Compare ASA commands with equivalent Junos OS commands
- Understand the differences between ASA named interfaces and Junos OS zones
- Move from the ASA policy-based VPN towards the SRX Series route-based VPN

Book 2

- Better understand the different interior gateway protocols
- Translate IOS commands to Junos OS commands
- Learn the differences between HSRP and VRRP for gateway redundancy
- Understand how a Virtual Chassis can ease network management

Download or Read Online Day One: Migrating from Cisco to Juniper Networks Free eBook (PDF/ePub/Mobi/Mp3/Txt) Martin Brown -, The regular type of help documentation is really a hard copy manual that's printed, nicely bound, and functional. It operates as a reference manual - skim the TOC or index, get the page, and stick to the directions detail by detail. The challenge using these sorts of documents is the fact that user manuals can often become jumbled and hard to understand. And in order to fix this problem, writers can try and employ things I call "go over here" ways to minimize the wordiness and simplify this content. I've found this approach to be extremely ineffective most of the time. Why? Because **day one: migrating from cisco to juniper networks** are considered unsuitable to get flipped through ten times for just one task. That is what online assistance is for.

If you realize your day one: migrating from cisco to juniper networks so overwhelming, you are able to go ahead and take instructions or guides in the manual individually. Select a special feature you wish to give attention to, browse the manual thoroughly, bring your product and execute what the manual is hinting to complete. Understand what the feature does, using it, and don't go jumping to a different cool feature till you have fully explored the actual one. Working through your owner's manual by doing this assists you to learn everything concerning your digital product the best and most convenient way. By ignoring your digital product manual and not reading it, you limit yourself in taking advantage of your product's features. When you have lost your owner's manual, look at product instructions for downloadable manuals in PDF

day one: migrating from cisco to juniper networks are a good way to achieve details about operating certain products. Many products that you buy can be obtained using instruction manuals. These user guides are clearly built to give step-by-step information about how you ought to go ahead in operating certain equipments. A handbook is really a user's guide to operating the equipments. Should you lose your best guide or even the product would not provide an instructions, you can easily obtain one on the net. You can search for the manual of your choice online. Here, it is possible to work with google to browse through the available user guide and find the main one you'll need. On the net, you'll be able to discover the manual that you might want with great ease and simplicity
