"*The Last Flight* is thoroughly absorbing—not only because of its tantalizing plot and deft pacing, but also because of its unexpected poignancy and its satisfying, if bittersweet, resolution. The characters get under your skin."—*The New York Times Book Review*

**Two women. Two flights. One last chance to disappear.**

Claire Cook has a perfect life. Married to the scion of a political dynasty, with a Manhattan townhouse and a staff of ten, her surroundings are elegant, her days flawlessly choreographed, and her future auspicious. But behind closed doors, nothing is quite as it seems. That perfect husband has a temper that burns bright and he's not above using his staff

to track Claire's every move.

What he doesn't know is that Claire has worked for months on a plan to vanish. A plan that takes her to the airport, poised to run from it all. But a chance meeting in the airport bar brings her together with a woman whose circumstances seem equally dire. Together they make a last-minute decision.

The two women switch tickets, with Claire taking Eva's flight to Oakland, and Eva traveling to Puerto Rico as Claire. They believe the swap will give each of them the head start they need to begin again somewhere far away. But when the flight to Puerto Rico crashes, Claire realizes it's no longer a head start but a new life. Cut off, out of options, with the news of her death about to explode in the media, Claire will assume Eva's identity, and along with it, the secrets Eva fought so hard to keep hidden.

**For fans of Lisa Jewell and Liv Constantine, *The Last Flight* is the story of two women—both alone, both scared—and one agonizing decision that will change the trajectory of both of their lives.**

**Praise for *The Last Flight*:**

"*The Last Flight* is a wild ride: One part *Strangers on a Train*, one part *Breaking Bad*, with more twists than an amusement park roller coaster! Julie Clark is a devilishly inventive storyteller."  
—**Janelle Brown**, *New York Times* bestselling author of *Watch Me Disappear* and *Pretty Things*

"*The Last Flight* is everything you want in a book: a gripping story of suspense; haunting, vulnerable characters; and a chilling and surprising ending that stays with you long after the last page."

"The perfect combination of beautiful prose and high suspense, and an ending that I guarantee will catch you off guard."

—**Kimberly Belle**, internationally bestselling author of *Dear Wife* and *The Marriage Lie*

"*The Last Flight* sweeps you into a thrilling story of two desperate women who will do anything to escape their lives. Both poignant and addictive, you'll race through the pages to the novel's chilling end. A must read of the summer!"

—**Kaira Rouda**, internationally bestselling author of *Best Day Ever* and *The Favorite*

**Download or Read Online The Last Flight Free eBook (PDF/ePub/Mobi/Mp3/Txt) Julie Clark** -, The regular type of help documentation is really a hard copy manual that's printed, nicely bound, and functional. It operates as a reference manual - skim the TOC or index, get the page, and stick to the directions detail by detail. The challenge using these sorts of documents is the fact that user manuals can often become jumbled and hard to understand. And in order to fix this problem, writers can try and employ things I call "go over here" ways to minimize the wordiness and simplify this content. I've found this approach to be extremely ineffective most of the time. Why? Because **the last flight** are considered unsuitable to get flipped through ten times for just one task. That is what online assistance is for.

If you realize your the last flight so overwhelming, you are able to go ahead and take instructions or guides in the manual individually. Select a special feature you wish to give attention to, browse the manual thoroughly, bring your product and execute what the manual is hinting to complete. Understand what the feature does, using it, and don't go jumping to a different cool feature till you have fully explored the actual one. Working through your owner's manual by doing this assists you to learn everything concerning your digital product the best and most convenient way. By ignoring your digital product manual and not reading it, you limit yourself in taking advantage of your product's features. When you have lost your owner's manual, look at product instructions for downloadable manuals in PDF

the last flight are a good way to achieve details about operating certain products. Many products that you buy can be obtained using instruction manuals. These user guides are clearly built to give step-by-step information about how you ought to go ahead in operating certain equipments. A handbook is really a user's guide to operating the equipments. Should you lose your best guide or even the product would not provide an instructions, you can easily obtain one on the net. You can search for the manual of your choice online. Here, it is possible to work with Google to browse through the available user guide and find the main one you'll need.
