Since its development in the United States in the 1970s, hip-hop has grown to become a global dance phenomenon. In *Beginning Hip-Hop Dance*, students gain a strong foundation and learn the fundamentals of hip-hop techniques as they venture into the exciting world of this dance genre.

Written by dance educator, historian, and scholar E. Moncell Durden, *Beginning Hip-Hop Dance* gives students the opportunity to

- explore hip-hop history and techniques, foundational information, and significant works and artists;
- understand the styles and aesthetics of hip-hop dance as a performing art and cultural art form; and
- learn about the forms of hip-hop dance, such as locking, waacking, popping and boogaloo, and house.

The text comes with a web resource that includes 56 video clips to support student learning and aid in the practice of the techniques. The web resource also offers

- extended learning activities and prompts for e-journaling to help students understand how the dance form relates to their overall development as a dancer;
- glossary terms with and without definitions so students can check their knowledge; and
- chapter review quizzes to help students assess their knowledge and understanding of hip-hop dance and its history, artists, styles, and aesthetics.

(The web resource is included with all new print books and some ebooks. For ebook formats that don't provide access, the web resource is available separately.)

E. Moncell Durden -, The regular type of help documentation is really a hard copy manual that's printed, nicely bound, and functional. It operates as a reference manual - skim the TOC or index, get the page, and stick to the directions detail by detail. The challenge using these sorts of documents is the fact that user manuals can often become jumbled and hard to understand. And in order to fix this problem, writers can try and employ things I call "go over here" ways to minimize the wordiness and simplify this content. I've found this approach to be extremely ineffective most of the time. Why? Because **beginning hip-hop dance** are considered unsuitable to get flipped through ten times for just one task. That is what online assistance is for.

If you realize your beginning hip-hop dance so overwhelming, you are able to go ahead and take instructions or guides in the manual individually. Select a special feature you wish to give attention to, browse the manual thoroughly, bring your product and execute what the manual is hinting to complete. Understand what the feature does, using it, and don't go jumping to a different cool feature till you have fully explored the actual one. Working through your owner's manual by doing this assists you to learn everything concerning your digital product the best and most convenient way. By ignoring your digital product manual and not reading it, you limit yourself in taking advantage of your product's features. When you have lost your owner's manual, look at product instructions for downloadable manuals in PDF

beginning hip-hop dance are a good way to achieve details about operating certain products. Many products that you buy can be obtained using instruction manuals. These user guides are clearly built to give step-by-step information about how you ought to go ahead in operating certain equipments. A handbook is really a user's guide to operating the equipments. Should you lose your best guide or even the product would not provide an instructions, you can easily obtain one on the net. You can search for the manual of your choice online. Here, it is possible to work with Google to browse through the available user guide and find the main one you'll need. On the net, you'll be able to discover the manual that you might want with great ease and simplicity
