Getting a baby on a sleeping and eating schedule is an achievable dream, and it's not a mystery. Helen's step-by-step plan shows new parents exactly how to integrate their baby into the family so that she will be

able to sleep when she's tired, eat when she's hungry, and calm herself when she's fussy—self-regulating skills that will enable her to thrive for the rest of her life.

Assured that their babies are secure and happy, parents can confidently enjoy this most precious time of their baby's life, trusting their own instincts, and—most importantly—sleeping through the night themselves!
