But before it can be sold, the neglected property must be renovated. She and her 12-year-old son Jackson move in--temporarily, she reminds him--in order to do the work themselves, even though Christmas is coming. The charming town, along with local craftsman Caleb Colton, pulls on both Wendy and Jackson, who even registers himself for school in a bid to get his mom to move them there permanently. Wendy knows that the most responsible thing to do is to sell the cottage and return to Ohio, but the lure of the sea is hard to resist.
