From an exciting town to a sunny beach, a beautiful park to a colorful toyshop, little ones visit their best-loved places, search through the busy scenes, then point to and name all sorts of delightful things, building their vocabulary. They follow entertaining characters like the little girl and her mum buying things for a birthday party, the young boy out and about with his grandparents, and playful Patch, the mischievous pup. They count scampering squirrels, fluttery butterflies, flying birds, and more. Plus there are favorite toys and fabulous treats to find, and a cool cat is hiding

somewhere in each scene!

A perfect interactive book to share with pre-reading toddlers or older children just beginning to read, every scene has "Can you spot?" questions, things to find that are certain colors or patterns, and open-ended prompts to encourage observation, exploration, and conversation. And at the end of the book, little ones can play a fun "Look back and find..." game.

With so many favorite things to talk about, and characters to follow from page to page, children can use their imaginations to tell their own story. Perhaps they will continue the story even after they have finished the book!
