It doesn't matter what the circumstances are if you play your cards right from the beginning and learn how to shift the power back in your favor after a breakup.**

Women can learn how to obtain the relationships they want by earning the love and respect from any man they choose and have the time of their lives in the process.

In this book, you'll learn...

- Why silence is golden...
- What a man secretly expects after a breakup...
- Why a strong woman steals the show...
- How to prevent a man from losing interest...
- Why women lose the battle of the breakup...
- How to make him miss you...
- How to handle your emotions...
- How he broke up and what it says about him...
- How to handle a breakup through Facebook and Twitter...
- How to SKYROCKET your self-confidence...
- What the biggest attraction killer is...
- How to be on Mr. Ex's Mind...
- What you should do to get him back ...
- Fatal mistakes you might be making without knowing it...

If you have ever let yourself fall to pieces, cried, begged or pleaded for a man to take you back after a breakup, or if you have ever sought closure, you have never learned the art or the power of No

### THE CURE FOR CLINGERS

Coming from a former self-proclaimed stage 5 clinger. This book actually CHANGED me. It was the slap in the face I needed to just STOP AND PUT THE PHONE DOWN. I had no sense of dignity when he broke up with me. I was only worried about satisfying my need to communicate with him, and completely forgot how HE viewed my actions. How he was judging my desperation. If you've lost common sense over someone and don't know how to step back, THIS IS THE BOOK FOR YOU.

### EMPOWERING

After reading this book, I instantly felt empowered. Why should I be crying over my ex or praying he will reconcile? He's lucky I even dated him in the first place. This book pointed out so many of his flaws. I don't even want him back now. On to a real man, please!

### AWESOME ADVICE

This book sucked me in and made me realize I did everything wrong! Everything! I begged I pleaded, I cried, I texted and texted about how I felt. The whole time he sat back and relaxed and ignored me or gave me a two-word response. Not anymore. After reading this book and looking back, I'm not even sure I want him back in my life now! That is how good this book is. I had standards before him, and now I have standards again! Going to read it over and over to remind myself of who I am and that I deserve someone that wants me, not wants me to belittle myself. Definitely a great read for those sitting and crying!

It operates as a reference manual - skim the TOC or index, get the page, and stick to the directions detail by detail. The challenge using these sorts of documents is the fact that user manuals can often become jumbled and hard to understand. And in order to fix this problem, writers can try and employ things I call "go over here" ways to minimize the wordiness and simplify this content. I've found this approach to be extremely ineffective most of the time. Why? Because **ignore the guy, get the guy - the art of no contact a woman's survival guide to: mastering a break-up and taking back her power** are considered unsuitable to get flipped through ten times for just one task. That is what online assistance is for.

If you realise your ignore the guy, get the guy - the art of no contact a woman's survival guide to: mastering a break-up and taking back her power so overwhelming, you are able to go ahead and take instructions or guides in the manual individually. Select a special feature you wish to give attention to, browse the manual thoroughly, bring your product and execute what the manual is hinting to complete. Understand what the feature does, using it, and don't go jumping to a different cool feature till you have fully explored the actual one. Working through your owner's manual by doing this assists you to learn everything concerning your digital product the best and most convenient way. By ignoring your digital product manual and not reading it, you limit yourself in taking advantage of your product's features. When you have lost your owner's manual, look at product instructions for downloadable manuals in PDF
