Heiress Madeline Love has one last chance to impress her father and organize the perfect Christmas—their last one as a family before her father weds a younger woman and forgets about his only daughter. Stephanie wants to create some much-needed family memories in their historic Montana ranch that she's always loved. All she needs is the help of one man, Mason Casey, ranch builder to the rich and famous, to give the neglected ranch a quick holiday facelift.

Contractor and architect Seth Casey has dreamed about buying the dilapidated Love property and restoring it to its former glory since he was old enough to swing a hammer. But when he finally gets the long-awaited call, it's not what he hoped for. The ranch is not for sale and the design the pampered, poor little rich girl requests is all wrong for the

historic property.

Can they put their differences aside in order to make this a Christmas to remember?
