**Download or Read Online Royal Romance Superbundle Boxed Set: Billionaires in Disguise Free eBook (PDF/ePub/Mobi/Mp3/Txt) Blair Babylon -, 12 Books. 3 Complete series. 3 Hot-as-heck royal billionaires to knock your socks off.**

Do you dream about meeting a mysterious man with singular tastes? Or a rising star who will give you the world? How about a man who says he's just an idle rich nobody, but his alter ego is famous?

How about all three of those guys, and their stories are interconnected, richly woven, and just more than your average romance novel?

Together for the first time! Here's the complete stories of Wulf von Hannover, Theo Valencia, and Alexandre Valentine, all wrapped up in a special boxed set just for you. This special boxed set includes the novels plus the short stories and epilogues for all three series, and they're all in correct reading order. These layered, intricate stories will have you gasping from surprise . . . and more.

"The chemistry Wulf and Raegan have is amazing and the fact that they are both so stubborn makes their relationship funny at times. The series covers everything from finding out about the good, bad, and ugly of each other to meeting the family. There are raw emotions in these books." ~Random Musesomy Book Blog

This [Theo and Lizzy] series just takes my breath away. Breathless!!!! That's how this book made me feel from beginning to end. It was one of those books I just couldn't put down until some of my questions were answered. I was constantly on the edge of my seat anxiously hoping it would turn out the way I hoped. I had this same sense of anxious excitement from the very first book of this series and it has not left me yet. This is not your typical cliched romance novel, where you can tell practically from the first page what is going to happen. Oh no! This book has you waiting with bated breath to see what happens next. I cannot wait for the next book. Ms Babylon is a genius, who proves every skeptic who says all romance novels are alike, wrong! All I can say is they have never read an erotic romance Blair Babylon style. ~Karen R. Amazon Review.

"Literary GOLD. Of the three BID books I have read thus far, this is by far my favorite. I haven't cried this much about a book in forever! I mean I literally cried through the final 20 pages of Xan & Georgie's book.... I mean I tear up every time just thinking about it. Ever had a book that touches your romantic spirit? Ever had a book that breaks your heart? Ever had a book that touched your musical soul? Well this one does that. ADVICE: Do yourself a favor, and don't read these books out of order. I am glad that I went back and read these books in order." - Just Because, Amazon Reviewer
