**Perfect for fans of Alice Hoffman, Isabel Allende, and Sarah Addison Allen, a family searches for the truth hidden in their past in this “expertly woven tale of family power, threaded with as much mystery as magic” (V.E. Schwab, #1 New York Times bestselling author).**

The Montoyas are used to a life without explanations. They know better than to ask why the pantry never seems to run low, or why their matriarch won't ever leave their home in Four Rivers—not for graduations, weddings, or baptisms. But when Orquídea Divina invites them to her funeral and to collect their inheritance, they hope to learn the secrets that she has held onto so tightly their whole lives. Instead, Orquídea is transformed into a ceiba tree, leaving them with more questions than answers.

Seven years later, her gifts have manifested in different ways for Marimar, Rey, and Rhiannon, granting them unexpected blessings and powers. But soon, a hidden figure begins to tear through their family tree, picking them off one by one as it seeks to destroy Orquídea's line. Determined to save what's left of their family and uncover the truth behind their inheritance, her descendants travel to Ecuador—to the place where Orquídea buried her secrets and broken promises and never looked back.

Alternating between Orquídea's past and her descendants' present, *The Inheritance of Orquídea Divina* is a “spellbinding tale, both timeless and fresh, that will stay with you long after you've turned the last page. Prepare to fall in love” (Kim Liggett, *New York Times* bestselling author).
